

# SECRET TRADE DEALS

**BETWEEN  
CANADA  
AND THE E.U.**

**What if...**

- ...your drugs were unaffordable?
- ...your internet freedom was undermined?
- ...your job was outsourced to Europe?
- ...your city was sued for buying locally?
- ...your public services were owned by E.U. corporations?

**No wonder...**

...over 80 municipalities across Canada,  
including 39 in Ontario, have opted out of CETA\*!  
(\*"free trade"/copyright agreement between Canada & the EU being secretly negotiated)
